

## Indiana mandatory face mask update

### JPAC Policy Update

#### WHO:

Face mask will be worn by everyone ages 8 and up. This includes staff, parents and students.

If you are under 8 and would like to wear a mask you are encouraged to do so.

#### HOW WE WILL APPLY:

Masks must be on before entering the building.

Anytime you are in the lobby areas the mask must remain on.

Anytime entering or exiting the building mask must be on.

Gymnasts will wear mask entering building until they reach their cubby or locker. Once they get to cubby or locker they will now have the option to remain in mask for training session or to place mask in bag in cubby or locker. Gymnasts will not be required to be in mask during training but we will suggest that they do.

#### AFTER SCHOOL AND E LEARN

Masks must be on when entering and leaving the building. Anytime that they are moving from location to location in the gym, lobby or school area they will be required to wear mask. We will have classes set up with social distancing in the design. Once students are in their designated social distance area they will then have the option to remove mask if desired.
